

## Health and Safety Policy Statement

Platinum Electricians specialises in the electrical installation and maintenance services for the commercial, industrial and domestic markets.

The ultimate responsibility of this policy rests with the Director of Platinum Electricians. We recognise that the talent and energy of its employees are its most valuable assets and that it has a responsibility to prevent accidents causing injury and damage to health. It is the intent of this policy to:

- *Allocate appropriate resources to develop programmes to prevent accidents, injuries and illnesses;*
- *Provide a workplace that complies with legislation and other requirements; and*
- *Establish measurable objectives and targets that ensure continued improvement;*

In support of this policy, we at Platinum Electricians will strive to achieve excellence in all matters relating to workplace health & safety, in this respect, the policy will require all employees to:

- *Observe and comply with company and legal requirements.*
- *Co-operate in ensuring the health, safety and welfare of themselves and their colleagues, visitors and members of the public whilst at work.*

Every effort will be made to provide and maintain a safe, healthy and efficient working environment for all employees. To achieve this, the active co-operation of all employees is essential so that accidents and damage to the health of themselves and others are avoided.

The Triple Certification has been based upon the requirements of AS/NZS 4801 and OHSAS 18001.
